

## To share money with relatives and friends:

1. Make sure your UniBancard Prepaid MasterCard® has been activated.

2. Log into your account. Click on "Add Referral" and provide your referral's information. Alert your relative or friend that they will be contacted by the Foreign Correspondent Bank (FCB) to open an account.

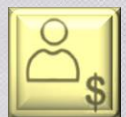

3. Once the FCB has opened and activated your referral's account, the account will be linked to your UniBancard and you will be ready to send money.

4. Log into your account. Click on "Send Money", select "Interbank Transfer" and complete transfer information.

5. Make sure you review all transfer information before clicking on "Submit". Please keep your receipt for future reference.

6. The transferred funds are immediately<sup>1</sup> available in your relative's account!
